Dr. James S. Nelson
Washington University
Department of Pathology
Euclid Avenue & Kingshighway
St. Louis, Missouri

Dear Jim:

Enclosed are three copies of the application which you submitted to NIH.

We have received permission from the National Institute of Mental Health to purchase the electrophoresis equipment, and will put that purchase through in the next few days, and I hope to have that equipment available within a few weeks.

Sincerely yours,

Max Fink, M. D.
Director
