Dr. H. Penin  
Univ.-Nervenklinik  
Bonn, Germany

Dear Dr. Penin:

We are planning a get together in New York after the International EEG meeting of investigators interested in EEG and psychiatry. Dr. Kunkel has suggested your name as a participant. A formal letter of invitation is attached.

I look forward to meeting you in our laboratories on September 25, 1969.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
