Leo E. Hollister, M.D.  
Associate Chief of Staff  
Veterans Administration Hospital  
3801 Junipero Serra Boulevard  
Palo Alto, California

Dear Leo:

I have just seen the reference to an article on the treatment of acute schizophrenic patients with trifluoperidol. We are now summarizing our own experiences, and I would be grateful if you could make a pre-print available to me.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
