Leonard B. Achor, Ph.D., M.D.
Medical Department
Sandoz Pharmaceuticals
Hanover, New Jersey

Dear Dr. Achor:

On behalf of the Psychiatric Research Foundation, I wish to take this opportunity to thank you and Sandoz Pharmaceuticals for your favorable consideration of our request for grant-in-aid for our research and training programs. The funds will be used in the study programs of EEG and human psychopharmacology, under the direction of Dr. Turan Itil and myself.

The supply of LSD recently requested arrived safely. Many thanks again for your kind consideration.

Sincerely yours,

Max Fink, M.D.
Executive Director
