Dear Dick,

Let me thank you once again for your participation in the CINF Symposium and for your many valuable contributions. As Philip may have told you, Elsevier has agreed to publish these proceedings as a volume in the *Progress in Brain Research*.

I have made the corrections in your manuscripts that you suggested in your letter of April 1st and will send it with the other manuscripts to Philip this week.

Again, my best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
