Dear Dr. Scigliano:

Enclosed is a progress report of our work, a record of the usage of marijuana, and a copy of the IRS Tax Stamp.

Our present schedule anticipates 40 experiments, 1-1.5 Grams each. We would like to begin in mid-April and work through the summer. If available, may we request 100 Grams marijuana of potency approximately equivalent to our present sample, NIMH-1?

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
