Paul G. Meyer, M.D.
Texas Tech University School of Medicine
Lubbock, Texas 79430

Dear Dr. Meyer,

Thank you for the invitation to apply for the position of chairman of the Department of Psychiatry at the Texas Tech University Health Sciences Center. I am not unhappy at my present location and am not available for such an appointment; I am honored that you thought of me.

Two of my students and co-workers, Drs. Michael Allen Taylor and Richard Abrams are now at the Chicago Medical School. I believe that they are restive and that either one would be a fine academic leader.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
