Dr. Michael C. Barry
Assistant Medical Director
White Laboratories, Inc.
Kenilworth, New Jersey

Dear Dr. Barry:

Some weeks ago you visited my laboratory and we discussed the possibility of a high dose and very high dose fluphenazine study program, to be undertaken at the University of Istanbul. My associate, Dr. Itil, has sent you some of the references which you requested and has asked me to send you a copy of the revised protocol, which is enclosed.

Thank you for your consideration.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
