Mrs. Helen Murdoch
The George Warren Brown
School of Social Work
Washington University
St. Louis 30, Missouri

Dear Mrs. Murdoch:

We are pleased to provide an opportunity for the experimental field work students to observe the Institute's programs in relation to schizophrenic patients. As you know, they have already attended two of our sessions and I trust that they will find these of some interest.

Dr. Klein will make such arrangements as from time to time may be necessary to provide your students with a satisfactory experience.

Sincerely yours,

Max Fink, M.D.
Director
