Dr. Alain Sanseigne
Associate Clinical Research Director
E. R. Squibb and Sons
Georges Rd.
New Brunswick, New Jersey 08903

Dear Alain,

Enclosed are two copies of the revised protocol on the fluphenazine project. The only change is on page two where Dr. Polvan correctly edited part of the second paragraph.

Would it be possible to replace your copies with these revised drafts? Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
