Gentlemen:

I am writing with regard to invoice M74709, for 500 reprints of "Narcotic Antagonists in Opiate Dependence", in September 4, 1970. The invoice is for \$90.00.

According to our records, the reprint request was submitted in July and at that time the estimate was \$36.00.

I would appreciate your checking your records and verifying the basis for the invoice.

Sincerely yours,
