Prof. Dr. J. Angst
Psychiatric Clinic
Zurich, Switzerland

Dear Jules,

Thank you for your kind letter, congratulating me on my election as President of the Association of Academic Psychiatry. I regret to say that I have not been so honored, and I imagine you are thinking of Paul Fink of Philadelphia.

I have been honored, however, by the Anna Monika Foundation, and just passed through your city en route St. Moritz. The award, for my efforts in developing a theory of convulsive therapy and my 25 years of research, was a special honor, as I believe it was the first such award to ECT since 1958.

I await your reprints and will probably read them. Let me know whether I should send them on, and to whom.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
