Ms. Mary E. Kielkopf, Chief  
Contract Review Unit  
NIDA  
5600 Fishers Lane  
Rockville, MD

Dear Ms. Kielkopf,

I am willing to participate in the NIDA contract review system. I enclose a short resume which highlights my professional experience, omitting the publication list which is a bit long. My publications in drug abuse encompass the long term effects of cannabis, narcotic antagonists, EEG effects of opioids and antagonists, methadone and levomethadyl therapy, among others.

Thank you for the invitation.

Sincerely yours,

*Max Fink*
