New York 28, N. Y.

Dear Lou:

I am writing to express my feelings in your recent loss. While I never got to know him well, I am one of the many students of Dr. Wechsler who admired his courtesy, consideration and warm regard for patients. He provided a wonderful model of a physician in the humanistic tradition. Permit me to share this loss, which is felt by all students of neurology.

My best regards for the New Year.

Sincerely yours,
