Dr. Margaret J. Giannini
Director, Mental Retardation Center
1249 Fifth Avenue
New York, New York 10029

Dear Dr. Giannini:

The recent announcement of the N.Y.M.C. Seminar on Mental Retardation in conjunction with the University of Athens interests me. It is probable that some of us may be in Athens in March at the time of the meetings. May we have a copy of the preliminary program when it is available?

Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
