Dr. Turan M. Itil  
Missouri Institute of Psychiatry  
5400 Arsenal Street  
St. Louis, Missouri 63139

Dear Turan,

It was kind of you to invite me to visit St. Louis, particularly to present some of our work to the residents. I have recently completed the enclosed manual of convulsive therapy. If it is of interest, I am sure we can send enough copies for your residents.

Is August 10-11 a good time for you?

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
