October 8, 1974

Peter Siegler, M.D.
Merrell-National Laboratories
PO Box 8203
Philadelphia, Pa. 19101

Dear Dr. Siegler,

In my letter of October 3, I submitted a revised page 8 of our protocol, dated 6-26-74. That revision was incorrect and I am enclosing a proper revised copy of page 8. Please destroy the one of last week and substitute the enclosed page.

Many thanks. Our work is proceeding well.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
