Dr. Dieter Bente
Universitäts-Nervenlinik
Schwabachanlage 10
Erlangen, Germany

Dear Dieter:

Enclosed is our follow-up letter. Even though I had not heard from you, I anticipate that you will be in the States for the EEG meetings. I look forward to seeing you in San Diego and, in view of your extensive experience in EEG and psychiatry, I would be delighted if you could join us.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
