Mr. Richard T. Fisher
806 West 10th Street
Rolla, Missouri

Dear Mr. Fisher:

We would be glad to show you the computer facilities and the research laboratories of the Missouri Institute of Psychiatry on June 4.

Miss Connie Hickman, who is at our computer center, will show you our equipment and explain its application. 1:00 p.m. is a convenient time for Miss Hickman, and if this is agreeable to you, we shall look forward to seeing you at that time.

Sincerely yours,

Max Fink, M. D.
