Editor, Psychopharmacologia  
Psychopharmacology Service Center  
National Institute of Health  
Bethesda, Maryland

Dear Jonathan:

I am pleased to enclose two copies of the final draft of our chlorpromazine-imipramine-placebo study in depression for your consideration for publication in Psychopharmacologia.

I tried to convince Leo that we should publish both reports on depression together, but he appeared anxious for a more popular press and indicated that he would send his report to the JAMA.

Dr. Robins called me Tuesday about another matter, and indicated that he had spoken to you about an out-patient depression study. In the event that you plan to come to St. Louis on a site visit, Martha and I would be pleased to have you stay with us, and I hope I will have an opportunity to have you visit the Institute and chat with some of my co-workers.

My best regards.

Sincerely yours,

Max Fink, M. D.
