Dr. Leo Zach
350 Central Park West
New York City, New York

Dear Leo:

My wonderful days in Europe and Israel are somewhat hazy now and both Martha and I are getting the urge to travel again. My calendar says that I will be in New York the first week in December, and I would be grateful if you could set aside some time Thursday, Friday or Saturday morning, December 3rd, 4th, or 5th for you to patch up any holes that developed as a result of drinking Turkish coffee. I am scheduled to be in meetings during each of those days but would prefer coming to you first. If that is not possible, I would like to come between noon and 2 p.m., gladly missing the usual business man's luncheon.

My best regards to Dr. Lillian.

Sincerely yours,

Max Fink, M.D.
