Dear John:

I want to take this opportunity to personally thank you for your participation in the ACNP program last week. I know that the members who attended the session enjoyed the various presentations very much, and I am grateful that you were able to take part. It is apparent that there is much more work to be done and I look forward to St. Louis making a significant contribution in this area during the next few years.

Again, my personal thanks.

Sincerely yours,

Max Fink, M. D.
