Dr. Burtrum C. Schiele
Professor of Psychiatry
Department of Psychiatry and Neurology
University of Minnesota Medical School
Minneapolis, Minnesota 55455

Dear Burt,

It was a pleasure being with you on Friday. The discussions of the Sugerma proposal suggested that draft copies of my recent reports be made available. I am pleased to enclose copies of the reports prepared for the ACNP. These still require editing, but they do describe our present view of EEG, drugs and behavior.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
