

December 8th, 1972

Arik Brissenden, M.D.  
Chief, Psychiatry Service,  
Veterans Administration Hospital,  
Northport, L.I., N.Y. 11768.

Dear Arik,

With regard to Andy Don, your letter of November 28th is excellent. I believe you should appoint Andy from V.A. funds for two half days per week now, and when we have a full time psychiatrist to monitor the program, we anticipate transferring him to other funds.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
