Dr. Martin Katz
Clinical Research Branch
National Institute of Mental Health
5454 Wisconsin
Chevy Chase, Maryland

Dear Dr. Katz:

As part of our program of the evaluation of unilateral ECT, we have prepared a manual of procedures and I am pleased to enclose a copy for your information.

This was prepared in response to a request by Jonathan Cole after I gave a lecture at his hospital last summer.

Tom Williams had been the monitor of our project study. Do you have a replacement?

My best regards.

Sincerely yours,

Max Fink, M.D.
Executive Director
