Dear John:

Thank you very much for your letter. Enclosed is a final draft of your report which has been accepted by Pharmacologia.

As you know, some months ago I saw Timmy in Great Neck, and had the very peculiar feeling of seeing someone I knew well. In the unstructured context of children playing together, I could not recognize him but as soon as he said his name was Timmy Kramer I suddenly saw an old friend in miniature. We had a delightful time together and I hope to renew this by visiting next month.

I am planning to be in Albuquerque on October 2, and would like to be in Santa Fe by 7:30 p.m. for a symposium, and can spend the afternoon with you. My plane will arrive about 3:00 p.m.

I am looking forward to seeing you then.

Sincerely yours,

Max Fink, M.D.
