Dr. Wayne Jostrand
IBM Corp.
475 Northern Blvd.
Great Neck, New York

Dear Wayne,

I want to thank you for arranging for my visit to the ACME Center in Palo Alto. Rich Hungate was a very cooperative guide. I was able to discuss the report briefly at the Computer Committee yesterday and perhaps, in the not to distant future, will be looking to expand our core.

When next you write to Mr. Hungate, please thank him for me.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
