Dr. Turan M. Itil
Missouri Institute of Psychiatry
5400 Arsenal Street
St. Louis, Missouri 63139

Dear Turan,

Dr. Karczmar has asked us to revise the 1966 ACNP report. In view of the fact that this paper reports our original descriptions of cyclazocine and of the subsequent importance of this observation, I have changed the authors to reflect your participation.

I hope this meets with your approval. File copies are enclosed.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
