Mrs. Helen Donovan
9303 68th Avenue
Forest Hills, New York 11375

Dear Helen,

Your two girls are working out rather well. The laboratory is now functioning with everything connected with everything else and it is a great show. Would you like to visit some afternoon?

Enclosed is a small token of my appreciation for your great help.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
