Dr. George Thompson
2010 Wilshire Boulevard
Los Angeles 57, California

Dear Dr. Thompson:

I regret that I was unable to stay for the dinner meeting of the society. The plaque, which the society so kindly awarded me, has not yet been received. I hope that it is not lost, and I am taking this opportunity to write with the question as to whether this has already been sent.

My best regards.

Sincerely yours,

Max Fink, M. D.
