University of Kentucky
Lexington, Kentucky 40506

Dear Mary:

The next meeting of the American Psychopathological Association will be held March 7 and 8 at the Boston Sheraton hotel. The topic is an evaluation of psychological therapies. The program format has been changed to follow the model set by the ARNMD, the presentations being discussed by a panel who will sit through the two days of the session.

I look forward to seeing you there.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
