Dr. Turan Itil
University of Missouri School of Medicine
St. Louis, Missouri

Dear Turan,

Enclosed is part of the consultation fees for your participation in our program, "EEG and Human Psychopharmacology" during the past few months, on your visits to our laboratories. The remaining fees (\$300) have been requested and will be forwarded promptly as received.

Many thanks for your continued interest and assistance in this program.

My best regards.

Sincerely yours,

Max Fink, M.D.
