BNDD,
1405 Eye St., N.W.,
Washington, D.C. 20537.

Gentlemen,

I hold the following BNDD registrations:

MF1732103 (Exp. 9/30/73) - 2, 3, 4, 5 - Practitioner

PF0024555 (Exp. 9/30/73) - 1 - Researcher

PF0080527 (Exp. 9/30/73) - 1 - Importer

These are operational at the New York Medical College at 5 East 102nd Street, New York City. During 1973 I am transferring my operation to the State University of New York at Stony Brook, with a specific laboratory at the V.A. Hospital at Northport. The program of work will include studies of opiates and cannabis and will require continued importation of substances. This work is obtained under NIMH contracts to this university. I am writing to request application forms for registration certificates as a researcher, category 1; importer, category 1; and practitioner, category 2, 3, 4, 5.

During 1973 I will continue on part-time basis at the New York Medical College and the present registrations will continue there until they are transferred to another member of the staff by their application.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
