Subject: Letter of Mr. Herman

I am in receipt of a copy of a letter addressed to you by a Mr. David Herman regarding the use of *CT* pages for Szasz.

DH is a chronic psychotic who has latched on to ECT and drugs as the cause of his difficulties; he is active in writing to everyone about his desire to save the world by stopping ECT and drugs. He likes Szasz and Breggin.

He has written often; and as often, I have not answered.

My lack of reply is no sign of agreement or acquiescence.
