William R. Tabor, M. D.  
A. H. Robins Company, Inc.  
1407 Cummings Drive  
Richmond 20, Virginia

Dear Dr. Tabor:

Our study with butaperazine has been progressing nicely and recently Drs. Itil and Keskiner have submitted an abstract of their observations to the C.I.N.P. Program Committee. A copy of that abstract is enclosed for your information and for use within your company.

We look forward to your visit to our laboratories.

Sincerely yours,

Max Fink, M. D.  
Director
