Dear Dr. Michaels:

We were pleased to have an opportunity to discuss our treatment programs and I hope that your visit was of some help. I am taking the liberty of sending you a copy of one of the first reports on cyclazocine. A more definitive summary is now being prepared and as soon as that is available I am sure Dr. Freedman will be glad to send you a copy.

If there are any other questions that we may answer for you, please do not hesitate to call on us.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
