Dear Dr. Giurgea,

It will be a pleasure to welcome you in New York during the week of June 13 to 21. My schedule is quite free that week, and I expect to be at work in New York. You should select the day or days best suited for your other visits, and I shall accommodate my schedule to your needs.

I look forward to your visit. If there are any accommodations that I may arrange for you, please do not hesitate to ask.

Sincerely yours,
