Dr. Alain J. Sanseigne
Parke, Davis & Company
Department of Clinical Investigation
Research Laboratories
2800 Plymouth Road
Ann Arbor, Michigan

Dear Dr. Sanseigne:

Thank you very much for your call regarding Sernyl. You indicated that some work was being done in EEG analysis by Dr. Korein. Perhaps you would be interested in this report which I have just sent to SKF which will tell you something about the present status of our art.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
