Dr. Marc P. Marthaler
12, rue de la Dole
Geneva, Switzerland

Dear Dr. Marthaler:

I have again explored the possibility of your appointment within the computer center programs at both this institute and that of Washington University. I regret that we are unable to offer you an appointment at this time and hope that you can find the opportunity you wish at the International Labour Office.

It is my expectation that I will be in Geneva during the third week in August during my vacation, and I would like to take the opportunity to call on you at that time, in the hope that you will be available and that I may discuss with you your programs and our problems.

Good luck.

Sincerely yours,

Max Fink, M. D.
