Dr. Paul Kay
15 Canterbury Road
Great Neck, New York

Dear Paul,

I have just checked my calendar for February 1968, and find a conflict. The spring recess for the schools in Great Neck occurs in the period February 10 - 24, and I have planned to take my family on a ski trip to Switzerland. It will not be possible for me to participate in the meeting of February 19.

I regret very much this inconvenience, but would be pleased to suggest other members of the Society as a discussant. Unfortunately, I had hoped to carry on a dialogue with Dr. Klerman and extend your explorations into new formats for the meeting.

Please call me at your convenience if I can be of any assistance.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
