

October 15, 1963

Dr. L. Belinson  
Deputy Director  
Division of Mental Diseases  
722 Jefferson  
Jefferson City, Missouri

Dear Lou:

Mr. Joe Stewart, the EEG technician for Marshall, has completed his training with Dr. Itil in the EEG laboratory on October 8, 1963. During his stay he developed a competence in basic EEG recording and, in Dr. Itil's opinion, is qualified to carry out routine records.

Sincerely yours,

Max Fink, M. D.  
Director
