Jovan Simeon, M.D.,
Missouri Institute of Psychiatry,
5400 Arsenal Street,
St. Louis, Mo. 63139.

Dear Jovan,

I have read the paper "Acute Behavioral Effects of Doxepin, Imipramine and Diazepam". While the clinical material is quite good, I believe the EEG should be updated. I have given a copy to Peter and asked him to review it. As soon as we have had a chance to come to some conclusions, I will be in touch with you.

My best regards to Susan.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
