

Ammed

November 15, 1963

John I. Nurnberger, M. D.
Indiana University Medical Center
1100 West Michigan
Indianapolis, Indiana

Dear John:

I just received the notification of the meeting of the Committee on December 5. Because I had assumed that the meeting would be held during the ARNMD sessions, I have already committed myself to another assignment that date. I regret that I will be unable to attend the Committee Meeting, but would be willing to do what I can in the next few days.

Sincerely yours,

Max Fink, M. D.
Director
