Dear Miss Kaplan:

In rereading this summary, I became concerned that the topics were covered in a haphazard manner, making it difficult for the reader. I have had the paragraphs reconstituted, and trust that this is better.

I am assuming you will add the appropriate references.

Am I correct in assuming also that you will publish the complete report of our studies, submitted under the title "Depot Fluphenazine in the Treatment of Psychosis in a Community Mental Health Clinic," by Luigi Bucci, M.D., Maria Fuchs, M.D., Jovan Simeon, M.D. and Max Fink, M.D.?

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
