Dr. Arthur Rifkin
Hillside Hospital
75-59 263rd Street
Glen Oaks, New York

Dear Dr. Rifkin:

My only published data are enclosed. The additional data has been collected by Drs. Itil and Keskiner in St. Louis and Polvan in Istanbul. My IND is nominally in Dr. Itil's name now, and I have no data since 1967-68.

I am sending your letter to Dr. Itil, asking him to answer you directly.

Good luck on your interesting study. My best to Don Klein and Max Pollack.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
