Dr. Nathan Siegel
National Institutes of Mental Health
Bethesda, Maryland

Dear Nat:

I have received the request which I have signed, but believe you should send it in if you concur. The authors did not tell me where to return the forms, but fortunately I saved the outside envelope and it is to go to the University of Iowa, Department of Sociology and Anthropology, Iowa City, Iowa, 52240.

I have officially moved to New York Medical College, and my new address is:

Department of Psychiatry
New York Medical College
Fifth Avenue at 106th Street
New York, New York 10029

When next you're in New York, give me a ring. My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
