Mr. W. H. Bold
Manager, Clinical Research Associates
Squibb Institute for Medical Research
New Brunswick, New Jersey 08903

Dear Mr. Bold:

The Prolixin study is going well. We do, however, need an additional supply, of oral Proloxin, 1 mg. Would you kindly send us 4 bottles, 500 tablets each?

Thank you very much and my best wishes for the New Year.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
