Dear Dr. Bayulkem:

As Dr. Itil has already mentioned, we withdrew our application for a collaborative drug study program in order to provide an opportunity for additional information to be made available to the committees. The enclosed copy of a letter to Dr. Polvan and yourself describes the present problem. We would be grateful for any assistance you can give Drs. Crane and Keskiner.

I look forward to seeing you next summer.

Sincerely yours,

Max Fink, M.D.
