5553 Lindenwood Avenue  
St. Louis, 39, Missouri

Dear Dr. Rich:

On behalf of the Psychiatric Research Foundation, I should like to thank you once again for your continuing support of our research programs. As you know, the Institute of Psychiatry has recently become the new Department of Psychiatry of the University of Missouri, School of Medicine. Its research programs are growing even more rapidly than they did in the first two years and it is through interests such as yours that we are able to undertake many new programs.

Thank you very much.

Sincerely yours,

Max Fink, M.D.  
Executive Director
