Dear Fritz:

I regret that I will be unable to attend the American Psychopathological Association meeting this year, as I have a prior commitment before another national society.

I am taking the liberty, however, of sending one of my associates, Dr. Ali Keskiner, who will attend the meeting and participate in the program.

Parenthetically, I believe the new format is a challenging one and do hope that it will meet with success.

Sincerely yours,

Max Fink, M. D.
